September 26, 2014

Dear parents/guardians of seventh graders:

We are inviting you to the first conferences of our school year on October 8th. This year, the 7th grade team is piloting a new conference format. We would like parents to attend one session according to the first letter of your student's last name.

During this session in the media center, you will meet the core teachers, hear their classroom requirements, and discuss individual concerns with those teachers. After a 30 minute session, you will be free to attend conferences with your child's elective teachers (choir, art, phy. ed., etc.). If you are busy at the time you are scheduled, feel free to attend another session at your convenience.

Parents are scheduled according to student's last name as follows:

October 8

A-D: 4:30-5:00

E-H: 5:05-5:35

J-M: 5:40-6:10

N-R: 6:15-6:45

S-Z: 6:50-7:20

During winter and spring conferences, we will be scheduling parents according to need. If you do not receive a letter from us, please know there are no concerns at that time and your student is doing well. We will be available from 6:45-8:20 on those nights to meet with you to discuss your student's progress.

Sincerely,

7th grade teachers
Ms. Christy
Ms. Erlandson
Mr. May
Mr. Nordick
